WHATEVER YOUR MISSION, YOU NEED YOUR FLEET TO OPERATE WITH MAXIMUM UPTIME AND MINIMUM OPERATING COSTS. LET MID-ATLANTIC WASTE TAKE CARE OF YOUR FLEET SO YOU CAN TAKE CARE OF YOUR BUSINESS!

FLEET SERVICES

BODY & CHASSIS

We perform body and chassis repairs on heavy-duty, medium-duty and light-duty trucks of all shapes and sizes, including vans, box trucks, buses, tractor trailers, utility vehicles and cranes.

MOBILE SERVICE

We will come to you, day or night! Our Day Crew runs service calls during typical business hours and our After Hours Crew performs PM and repairs in the evening so your business isn't sidelined.

RENT-A-TECH PROGRAM

This program provides you with both short-term and long-term shop assistance to fill any gaps they are experiencing, for whatever reason.

DOT INSPECTIONS

MAWS can provide all of your DOT inspections on-site at each of our branches. Our comprehensive service programs will ensure that you are compliant and road-ready all year long.

PREVENTIVE MAINTENANCE

Routine preventive maintenance on your equipment keeps it in peak condition and helps avoid unplanned downtime. Proper maintenance keeps your vehicles on the road and working for you and your customers. Breakdowns are costly disruptions to service which can be mostly avoided through regular preventative maintenance.

Our PM program can be tailored to fit your business and includes:

- Clutch Operation
- Filters & Fluids
- Brakes
- Air Brakes
- Suspension
- Drive Line
- Tires
- Exhaust System Under Body/Cab Check
- DOT Documentation
- Lubrication
- Engine Check
- Lights & Battery
- Front End Inspection

PARTS

Mid-Atlantic Waste is a premier supplier of all aftermarket parts for all major brands, for every make and model related to the heavy equipment and refuse industry.

We offer OEM parts direct from the manufacturer, as well as quality aftermarket replacement parts.
